Yamaha Diversion XJ 600C Colour coded Velorex Sport Sidecar with lockable storage behind seat. Sidecar is surprisingly roomy. My 15yr old son who is 6' 5" gets in it MOT until 13 March 2017 with just the one advisory that the head stock bearings were slightly notchy 3 new tyres this year, 2 to bike, 1 to side car Tourneau cover for the sidecar 2 set of keys Obviously with a vehicle of this age there are a couple of little marks here and there, but nothing major or anything to detract from its appearance Do look at the pictures to see what a great outfit this is Also if the buyer wants them there is a set of Givi Wingrack monokey panniers that came off the bike that I would include in the sale. I have all the fittings and the offside indicator ;
