Red leather sofa fairly large in size, really comfortable genuine leather purchased a few years ago from dfs L shape to a degree it's got a lay down part to it and it all clicks together couple of clips need replacing but it doesn't affect anything, sofas a right to left I think, look at pic very strong and hard wearing sofa, need to rep,ace it due to floor and deco change unfortunately, looking for around 300 to 350 mark its 3metres in length by around 2.5 other way and about a 1 metre deep;
