Red, 125 Learner Legal, 3 owners, This is an ideal first bike. The Yamaha YBR125 is very light and boasts surprisingly good handling. Nothing too mad: it's just forgiving and easy to practice your cornering on. The suspension's basic but effective while the Yamaha YBR125's brakes are good. The Yamaha YBR125's air-cooled four stroke is pretty nippy, with enough power to propel you around town or along easy A roads at a fairly decent pace. Smooth fuel injection helps you along and there's a choke for those cold starts. This one comes with a chrome rear carrier. The North West's finest family run motorcycle dealership, £1,750 no
