Velcro friendly display stands. Covered in grey and blue fabric. 10 stands 100cms X 75cms and 1 header board 25cms X 75 cms. They easily slot together using poles and brackets attached to sides - all moveable. you can either have double height or single, they stand alone when at angle. Two of the boards have one hole in otherwise in good condition. Very light and easy to handle. I have used them for my picture framing business at shows and events. ;
