CALLING ALL MALES AND FEMALES AGED 70 YEARS OR OVER. Professor Alan Sinclair, an internationally and nationally known Professor is conducting a clinical study called SPRINT-T at the Medici Medical Practice, Luton. The study is a randomised controlled study taking place across Europe. The ultimate goal of the study is to offer efficient treatment options to older people with frailty and Sarcopaenia improving their quality of life and reducing social isolation. Travel expenses are provided and there are no medical interventions, therefore you will not be testing any medications. If you or anyone you know could be a potential participant please contact Diabetes Frail on: Tel: 01582 738464 01582 7384...(click to reveal full phone number) (office) Mob: 07469 178 232 07469 178 2...(click to reveal full phone number) (Prof. Alan Sinclair) Alternatively you can email: [click to contact](#) [click to contact](#) or [click to contact](#)
