Hello I'm Jennifer I have a real passion for beautiful updo's in celebrity style. I have been to many prestigious salons to build on my skills including The Peaches and Cream Salon in Liverpool. I do not cut or colour hair I only style. I have various hair pieces for sale also that can be incorporated into the preferred style. I have very affordable rates and do travel. I am very flexible and offer this service alongside my other career. I have always had good feedback and have been creating stunning updo's for a number of years. Special rates for bridal packages and I also offer wedding make.
