It is a good size area inside, when, 4 gas tanks plenty of room to go in and out.

Caravan has hob, water. Can cook with water using the water switch. It has a lot of gas and electric things to work and it is a pretty good one. It has heating as well which is fitted all the way through the caravan which gets the heat all through the van.

The washroom is at the rear end of the van at the side. There is a swivel toilet and a shower.

This is a single axle caravan, easy to tow, tyres are good too. Light towing weight.
