Beautiful fawn whippet cross Bitch with beautiful face and markings. From a family home but father has worked in the past. Very sweet natured with gorgeous black face, ear tips, tail tip and white toes! Mother seen with, who is 52cm to the top of the shoulder and I estimate this puppy will be roughly the same size. They have now started on hard food and have had their first worming. Perfect family pet, the breed are exceptionally bright but very laid back. Will be 8 weeks on the 3rd Sept. Last of the litter and looking for her new!
