Classic 1980 Honda CB650 Custom. Owned this bike a couple of years now and has until recently been my daily ride. Engine runs without rattles. Maybe a little rich. In good condition. One of the fork seals needs replacing . MOT'd until 4th April 2017. Apart from a duff battery once, this bike has been faultless. Very rare to find these now especially in this condition. Offers in region of £2250
