IET Code Of Practice (4th Edition)

This new IET Code of Practice 4th Edition - has 12 pages more than the previous PAT Testing edition!

The IET Code of Practice for In Service Inspection and Testing of Electrical Equipment is the most used publication for UK inspection and testing of portable electrical appliances. It provides detailed guidance for Duty Holders, Managers, administrators and those who carry out the inspection and testing of electrical appliances (often known as PAT testing).

The Code of practice includes information on:

- Legislation
- Portable appliances
- Hand-held equipment
- Surge Protected devices
- Testing procedures
- Common faults
- Risk based assessments
- Pass and fail levels
- Frequency of inspection
- Formal visual inspections
