

# Honda VFR VTEC 800 Sports Tourer With Full Luggage (2,200 GBP)

Location **Wales, Mid Glamorgan**  
<https://www.freeadsz.co.uk/x-410279-z>

Sports Tourer. - every thing you need is here, whether it be touring the country or the world. Honda VFR 800 VTEC

2002 plate - The first generation of the VTEC in the VFR.

My VFR is up for sale as I require something more upright for work purposes.

She's been extremely well looked after over the years, a box file full of service history re-enforces this.

She comes with Full Honda Luggage (panniers, rack, top box, box fitting kit and box plate) please note that the luggage is not like smaller types, they are quite large. If you've looked at pricing Honda Luggage you'll see the full sets usually retail for £1500+

Recent Items include a new Mobobat gel battery, x2 Manual Cam ChainTensioners, New front fork seals and fork oil change.

Recent full service including oil and filter, air filter, plugs & fuel Filter.

Two good tyres with plenty of life left in them & not squared off.

New MOT - straight through with no advisories.

Will come with optimiser, Haynes Manual & Honda VFR Workshop CD-ROM.

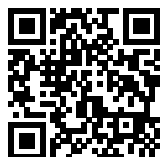

Heated grips fitted with two heat settings.

Any questions please ask, yes the mileage does look high but there is extensive service history showing she has been very well looked after. If you research the VFR you'll see these bikes will easily run over 200k if looked after. As I've stated above I would consider a swap for something upright, anything like a dl650, cross runner, cross tourer, 650gs, tiger 800 etc. I will consider anything upright. Any questions please ask, I will consider offers more photos available;
