Computer services offered at a competitive price. I offer a 'Home Visit' service so you don't have to take your computer anywhere. I cover most areas of IT support including Wireless Network Problems and Network Range Extension to eliminate those dead spots.

Call me for a free site survey if you have wireless range problems.

I have over 10 years of experience of repairs and upgrades of laptops. I repair most brands of PC's and Laptops including Toshiba, HP, Acer, Packard Bell, Sony, IBM, Samsung etc.

I carry out most repairs onsite (at your home), or collect and deliver your equipment 'free of cost' if the fault is not fixable onsite. Free quotes given for any type of faults.

Services offered :
