Vauxhall Corsa Design Twinport 3 door Hatchback 1.21 2005.
This is a well kept great little car. Usual wear and tear of a car of this age but in good condition.
Air conditioning and heater work really well.
CD and radio all working.
Excellent on petrol (comes with almost full tank) and spare oil (about half full canister to take away)
2 Keys. Remote doesn't work but central locking working fine.
X4 almost new car mats included.
Electric windows. Electric wing mirror adjustment (left side a bit temperamental but works).
The Brake servo has recently been sealed to prevent the common leaks that occur in Corsas.
Sad to let this car go but have to as have a condition where I can no longer drive.;
