Black 1953 series 2 Morris Minor 4 door. 58500 miles. Original specification, including trafficators. Plenty of history including the original log book, replacement engine and gearbox, and a heritage certificate. Very few miles in the last 10 years, but had an MOT cert until July 31 2016. Pretty good example of a 63 year old car. On a V5 and currently with free exempt historic road tax, and it is now exempt from MOT. Insurance is only £70 per year too, so it is a classic car with extremely low running costs, and with a valuable transferable 1953 registration number TPK 91 included as well. Only selling because of health reasons/house.
