This is a great car in perfect running order - regularly & recently serviced & with FSH. It's top of the range so 4x4, leather seats, parking sensor, a/c, sat nav with screen, heated seats, electric controls etc. There are a couple of scratches & a small dink plus the wing mirror indicator light is broken but these are minor issues (see photos) & can easily be repaired as preferred. It's incredibly comfortable to drive, in very good condition overall & feels like a lot of car for the money. Selling due to a change of.
