The Suzuki Swift is every bit as good to drive as it is to look at thanks to a chassis and suspension that give the car just the right balance between comfort and control. This is the real strong point for this car. Like the model before the handling is sharp and responsive. The stiffer body delivers real agility and a good suspension set-up means it is surprisingly smooth when dealing with rough road surfaces. The steering is well weighted and that gives you plenty of confidence when cornering at high speed but it's also light enough to make it nippy around town. The car's small proportions and excellent turning circle also make this car perfect for city driving. Only £30 a Year Tax, Low Insurance, 56 MPG, ABS, Audio remote, Body coloured bumpers, CD, Driver's airbag, Folding rear seats, Front electric windows, Height adjustable drivers seat, Isofix child seat anchor points, PAS, Passenger's airbag, Remote locking, Side airbags, Steering wheel rake adjustment, what a great little car, Comes with a service and "FREE MOT & S 4 LIFE" Only @ www.bondcarsales.com
