- Guest Bed
- 3ft
- 1065mm
- 635mm
- 1004mm
- 2023mm

Toronto has a beautifully crafted framework that conceals a trundle bed for extra sleeping space. The Toronto is a rubberwood frame finished with an amino coating paint process. The pull-out trundle features castors for ease of use and can be used in either the flat or upright position. Sprung slatted bases give natural bounce, adjusting to where most pressure is exerted and providing greater comfort.

The maximum mattress height for the trundle frame is 190mm. ;
