Leather suite comprises 2 x 2 seater leather sofas, with a large armchair and a storage footstool. Samara' design leather suite. Beautiful chrome feature feat, with ivory leather. The furniture is sumptuous and comfortable, with soft arms, which hold their shape, yet are lovely to recline on. The leather itself doesn't crease, which means that it will remain looking stunning for years to come. Pictured with cushions which could also be added if desired. Whilst the suite is two years old, it has hardly been used and is therefore in near perfect.
