I have a very cute tricoloured beagle male puppy who is 5 months old and is ready to go to his new forever home. He is very friendly, homely dog and will guard you forever like a friend. His vaccination is up to date - His vaccine card will be given to the new owner. He is also health checked, wormed and micro-chipped. The new owner will get his bed, toys and 5 days pro-plan food. Any inspection is welcome!
