Here we have a 1.2 Renault clio which has been a pleasure to drive, this car has been owned for nearly 2 years and has never us down. The car is in brilliant condition for its age and has been well looked after! It has recently had its tyres changed and also has had the cam belt changed at 60,000 miles. The car comes with a spare key and also has Mot until May 2017!!!! Upgrading to a bigger car now I've owned it for a number of years, was a brilliant first car and is looking for a good home to belong to.
