Stunning combo - black velvet mini potenza chair with left hand arm rest and silver feet and an elegant silver embossed desk with 3 drawers.

Ideal for bedroom as dressing table, hall for telephone area or reception, office or even lounge as console table and feature seating.

These items have been used but still look fantastic, real statement pieces. Overall very good condition although some marks to embossed covering, particularly on legs that can be disguised with silver marker. The join on top of desk is from manufacture. All drawers functional. Legs can be removed for transit.

Chair is 120cm tall, desk 76.5cm high, 110.5cm wide and 55cm deep.

Collection from Battle.

Priced for quick sale at £150 for both, sorry no offers. Chair alone sells for £300 new but I need the space hence bargain price.
