You will find it hard to beat the Seat Leon when it comes to value for money, you get the great Volkswagen / Audi group build quality and reliability along with brilliant styling and the latest technology. On the outside this car really does look the part. The body is finished in a stunning midnight black metallic paint which combines with the Full LED headlights to make this one beautiful looking vehicle. Under the bonnet this car has an excellent 1.2 litre TSI engine which produces 110 horsepower meaning this car will never feel under powered. However although this car is no slug, thanks to it's Turbo Stratified Injection and 6 speed manual gearbox it means that on a run it will return a whopping 65.7 miles per gallon! How about that for 'best of both worlds'? As soon as you step inside the cabin you will know straight away that you are in a well built, reliable and comfortable car. This particular Leon is fully loaded with Seat's factory fitted Tech Pack. At first you may notice the 5 inch colour touchscreen mounted into the dashboard, which comes complete with colour sat nav, media selection, radio settings and various other controls all at your disposal with the touch of a button. Need some piece of mind? This car comes with our acar2go 3 month 'NO QUIBBLE' warranty which means just that. If you encounter ANY problem in the first 3 months of owning the car we will fix the problem for you for FREE. acar2go Aston Clinton where you really do Pay Less and Get More.
