## **Great buy - Combined Sander with attachments and case (30 GBP)**

East Midlands, Derbyshire Location https://www.freeadsz.co.uk/x-411474-z

This is for a hardly used combination sander with sturdy black case to keep tools safe and secure. It can be used as both a detail sander and orbital sander by changing the base plate. Ideal for either wood or metal. The sander is a PP Pro power tool(B&Q) model number CLM200PKand is a corded electric item power 230--240vac-50hz. It has a lock on button with a variable speed adjustment dial. It also has a dust extraction port with dust bag which makes for cleaner work areas and an optional secondary handle. Comes with original instruction book, protective case and some extra packs of sanding sheets. Available for collection or postage (£5 postal charge given size/weight);
