Regretably selling my much loved A3 Cabriolet Sport tdi S tronic which has the paddleshift option and full Milano black leather interior with electric folding mirror's. Owned for 4 years having purchased the car from Audi Tonbridge at 26000 miles having had 1 owner from Sevenoaks from new. I am only selling due now working in London so commuting by train and only requiring the one family car now. The car has been used as a diesel is intended on 15 mile journeys to the office all year round since ownership. This is the must have model with fully electric roof and luxurious leather with the seamless gear changes in the 6 speed auto. The car rarely hits 2000rpm so economy is rarely below 50mpg and seen 65mpg many times..... I have just had a full service of engine and gearbox plus rear brakes replaced at a cost of £600. MOT has 11 months.
