Hi, I am a courteous, punctual and enthusiastic portrait photographer in the Haywards Heath area offering a range of photographic services. I am available for family, couples, children, pets, portfolio, profile, product and general portrait work. Each shoot will include all post production editing in Adobe Lightroom and Photoshop. My website covers a range of digital and traditional print packages to suit your budget. I am also happy to tailor a bespoke package for you. I work either on location using natural light or have a mobile studio that I can bring for a formal shoot. My website covers this in greater detail:

I am happy to share further examples of my work on request. You can find some examples of my work on Flickr - search for 'Lawless Zero' or my new Facebook page - search for 'Pete Lock'.
