Fun, energetic, diverse & competitive - eQuivalents are available for weddings, parties and all other events. "Trudged to my local on a wet Saturday night expecting to hear the usual brand of bland covers band and got blown away...this talented bunch of musicians were giving it their all."

Professional musicians brought together by a shared passion for great tunes. Our repertoire is packed with rock anthems, cult classics, disco, funk, ska & more: everything from Madness to The Specials, Pulp to Santana, Cream to Pink Floyd, XTC to Radiohead.

Nothing beats the energy and atmosphere created by a live band. eQuivalents will bring instant excitement to any occasion and will have your guests on their feet and singing along in no time! Don't take our word for it, just Google "equivalents band" or come and see us live on these Saturdays:
