The PERFECT town car has arrived on the forecourt here at acar2go, the fantastic Toyota Aygo. This Aygo which we have on the forecourt has just been freshly serviced in our workshop, it also receives a Full acar2go Multi-Point check to ensure the lucky next owner of this beauty is buying a safe and sound car! The Toyota Aygo really is the pinnacle of Japanese Engineering. This wonderful little run around car is brilliant for those first time drivers that are looking for something that is cheap to insure, cheap to tax and cheap to run on a daily basis. The cute little Aygo is Free to Tax and really does look the part too! That's not all though, it can return you a remarkable 68.9 MPG on a run, and on a longer journey it's a fantastic 72.4 MPG, this means that you won't be breaking the bank on fuel! What more could you ask for really?! At acar2go we pride ourselves in offering customer service which is second to none and we really mean it. We don't do pressure, we don't follow you around our forecourt like a sheep. Instead we allow you to make your own informed decision and simply answer any questions you may have. If this is something you're in the market then please do give us a call and arrange an appointment. Finance is available subject to status, Please call for a no obligation quote. Remember acar2go Aston Clinton where you Pay Less & Get More!
