I appreciate you taking the time to have a glance at this incredible caravan we have here at Southview Leisure Park on the beautiful East Coast of England.

This caravan features an open plan layout. The kitchen has been ergonomically designed with plenty of cupboard space. It's warm neutral colours allow you to add your own touch to the already homely feel to the holiday home. Being both central heated and double glazed means you'll be warm all your round. Both bedrooms have plenty of space and storage for any clothes and shoes.
