Black, 1 owner, This one comes with an MBM ergonomic handlebar conversion plus the standard bars and Oxford heated grips, this is an immaculate example Simply put Kawasaki's new ZZR is the new king of speed and power, beating the formidable Hayabusa hands down. It produces more power and torque, and accelerates quicker than any other road bike, it's still restricted to an agreed 186 mph limit, but will get there in breath taking time, hitting the limiter with ease, still with plenty in reserve. Not just a one trick pony either, now comes with ABS, power modes and traction control as standard. The North West's finest family run motorcycle dealership, £8,495 p/x
