White, 1 owner, This one comes with Arrow Silencers, it has had one owner and has a full service history. The high-spec R version has Ohlins suspension, lightweight wheels, Brembo monobloc brakes, a new gearbox and a 2kg reduction in weight from the standard version. It's added a dynamic new dimension to the hugely popular Speed Triple, turning Triumph's feisty street-fighter into to a hugely competent trackday tool. The Triumph looks the part, it handles and stops brilliantly and has a decent ride quality. You'll definitely feel the benefits when you are out on the track. The North West's finest family run motorcycle dealership, £8,495 p/x considered
