Hi I have for sell a lovely car, It's well cared , well maintained and very looked after .The engine in in very good condition, it was serviced always on time and the ignition is always smooth. There are no any dents or scratches except the light scratch on the boot door which you could see on picture 3 and 4 on the left side. I'm the 2nd owner of this car and I have never smoked or had pets in this car. Last service was in November all filters were changed and the oil in engine also I have changed the clutch set. (The problem was in the bearing but after comparing the prices of the whole clutch set and the repair I've decided to change the whole set instead to change is individually later on)

Very economical car to run currently getting 65 mpg and car tax is also cheap.
