Its a genuine low mileage car purchased direct from the local owner who bought it new. As you would expect from a car that has been garaged all its life and used sparingly it has a good as new feel about it like a car that is one year old. The VW Golf is a highly desirable car, a class leader in style and build quality so finding one with such a history as this is very rare and an opportunity not to be missed. This example has the excellent DSG semi automatic gearbox that is smooth and very easy to use, you can change gear yourself or leave it fully automatic mode. Standard specification on the SE includes climate air con, cruise control, electric heated mirrors, alloy wheels, plus this has the bonus of parking sensors front and rear, front and rear electric windows and the added bonus of a space saver spare wheel in the boot.
