We believe it is always better to renovate or restore an existing wooden floor rather than replace it. There are many reasons for this; more character and patina, original wood is usually higher quality than modern machined boards, plus the retention of original features which will undoubtedly enhance your surroundings – whether traditional or contemporary – more than you could ever imagine. How it works: Our skilled craftsmen are trained to the highest standards and we ensure that there is a top quality finish to your hardwood floors every day. Our services include: *** Sanding /Stripping *** Gap Filling/Mass or Wooden strips/ *** Staining/Dying /choice of 92 colours/ *** Painting *** Varnishing/Lacquering *** Waxing *** Oiling *** Liming, White washing *** Buffing *** Polishing *** Floor Board Replacement
