Are you interested in Maths private tuition for your child? I am considering moving to the area and looking to set up either 1-to-1 or group classes. I am a BSc Mathematics graduate from 2011, a previous teacher and Cost Engineer. Parents are more than welcome to sit in during the class if it doesn't take in your house. Please email Harriet on: click to contact. Flexible with times so email to discuss. Prices: £10/hour; £7/hour for groups. If you want to pay cheaper rates, try asking friends if they are interested so children who know each other can learn.
