

Kawasaki VN 2008 (4,295 GBP)

Location **South West, Dorset**
<https://www.freeadsz.co.uk/x-412624-z>

This is a brilliant example of Kawasaki's VN900 Classic cruiser. The bike has been beautifully looked after and comes with a front screen and Sissy bar. The bike was last serviced in 2011 at 3356 miles and will be given a full service on its sale, MOT till June 2017. It has also had a full HPI check and both tyres still have plenty of life in them. This cracking VN900 is just what the doctor ordered if you are looking for a good looking well kept second hand cruiser. The bike will also come with our 12 month warranty and roadside assistance, full service history If you would like any further information about this bike please contact David or.
