

# Personal family photo scanning service

Location **East of England, Hertfordshire**  
<https://www.freeadsz.co.uk/x-412657-z>

Do you have lots of old family photos or documents stored in a cupboard? Have you thought about having them scanned so they can easily be shared electronically by future generations?  
After having scanned our family photos collection and indexed them all (using face recognition) I am now considering to offer this personal service to the public in the AL postcode area. Please email click to contact with details for a free assessment and a competitive quote. ;
