I offer a psychic reading service. I have empath/intutive/mediumship gifts. I combine all these to give you a accurate reading. If you have a problem or a nagging question I am here to help! I can do this over the internet-no need to meet face-to-face so no embarrassing awkward phonecalls either. I have been a trusted professional reader for over 21 years. Don't be afraid to ask if you have any questions before paying. (£10)

When you decide to have the reading I prefer to be paid upfront via paypal/bank transfer (I have been scammed a few times before). Just asking costs:)
