Short haired ginger female kitten for sale, she is weaned and litter trained .. and will be flea treated and wormed before she leaves .. i have also put a photo up of her mum. She has grown up around kids and handled well by kids and also has grown up around a dog - so she is well adapted to family life. She has a great cuddly personality, loves to play and and all round beautiful kitten. She has faint striping on her tail which gives her extra beauty .. Any questions just drop me a message. If you would like anymore photos feel free to email me. I will provide a small bag of food(this is more in case you want to change the foods and avoid tummy upset during the change), litter tray, bowl, scoop, litter liners a few toys to get you started when you collect! I can of course bring her to you at no extra cost locally if transport is an issue to you. AVAILABLE FROM THE 30TH
