Drives perfect, steering and handling is nice and tight.Clutch is all good, and gears are perfect, nice and tight.

Nippy little car - note this is not the 16 valve it is one of the last of the earlier version, but this is a very nippy car car that does not struggle uphill, and drives very nice. Being the non 16 valve it will be cheaper on insurance and cheaper to maintain than the slightly later edition.

Please no time wasters, and no silly offers - this is a genuine car with a genuine reason for sale.
