

family 4 berth caravan great starter (1,350 GBP)

Location

Wales, Dyfed

<https://www.freeadsz.co.uk/x-413093-z>

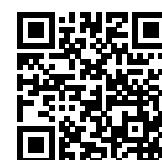

abbey 415 gt 1990, 15ft internally, has transformer built in, long day beds in front and two single seats rear plus solid bunk hot and cold water. cassette toilet oven fridge gas fire, we bought it with the intention of using it to go away in, however we never did, sum of the doors need either replacing or re stained see picture 4, due to its age this is normal, so a little tlc would sort out. we purchased this caravan with having great times away, but due to family problems we havent used it its a great starter caravan , one that you can put your own stamp on. has aqua roll thingy, waste container, full gas bottle, its a really clean van inside i cant see or smell any damp, but i am not a caravaner, i would have thought for the year it would , no soft floor , its worth a look, we went to see loads around the £1500 mark this was the best we,
