This BMW is in good condition, it is still a very smooth drive, quiet with low mileage for its age. Interior is also in good condition. The E39 version is renowned as a very good BMW car.  
 full service history  
 MOT is due July 2017  
 Rear window passenger side not working  
 some small dents  
 the car has started overheating not to sure what it is as I'm not a mechanic  
 I have had the car nearly 2 years and it has had no issues until now there are no engine leaks and I have both.
