Our Molly has given birth to lovely puppies, we have boys and girls left, the pups have wanted for nothing, come from a loving family surrounded by my nosey children. The wee puppies have seen the vet, checked over and given a clean bill of health and also given their first jag, and been microchipped which carries free insurance for four weeks (after the new owner registers the microchip) . They have 3 generation The Pedigree Club registration too, not kc as they are not show dogs, what they are , is fit healthy, well-built and happy. Our puppies are in great shape and healthy and full of fun, they eat and drink well, just like any other Lab, and ready for a new home give me a call if you want more info or photos or.
