I have one beautifull, mischevious little mini smooth haired dachshund puppy left!! He is a lovely shaded red boys colour. He is kc registered, and has been vet checked, and has had his full set of injections, and been microchipped. He has been wormed regularly and will leave for his new home with 4 weeks free insurance (courtesy of petplan). He is a happy, outgoing little pup, who is well socialised and is used to being havig cuddles, he is also used to general household noises. He is PRA unaffected as dad is pra clear.
For any further information, or if you have any questions, please feel free to.
