Hello,

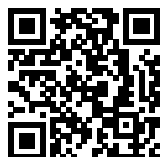

we are selling ours 2 bedroom flat in Salvador,Brazil (Costa Azul area) which is only few minutes walk from the beach (200m)  
 It is a flat in condominium area with two bedrooms and one suite with closets, toilet, kitchen with cabinets, laundry area,bathroom and balcony with secure garage under the building and also access to , party room, gym, and pool.  
 We have owned it for over 10 years now and it has always been rented out through local estate agencies. It has a good investment potential or perhaps a holiday home.  
 We are only selling it as we want to buy a bigger house in the UK for our growing family and we need a bigger deposit for that.

Anyone seriously interested,get in touch and I will give you contact details on my mother in law who lives in Brazil (speaks Portuguese only) or local estate agent who can arrange viewing,alternatively contact me for any more details.  
 Thank you
