Flutterby Music is a fantastic way to introduce music to your little one, with progression and continuity week to week and as your child grows. There are classes for 3 months to 7 years. Sessions are based on a real musical approach (Colourstrings), and will equip young children with a range of musical skills, as well as help develop motor skills, language and communication and social skills Flutterby Music uses the internationally acclaimed Colourstrings approach to develop your baby or child's innate musicality from the early years, through enjoyable songs, rhymes, games, percussion, dances and movement. Through carefully structured and progressive sessions, that are age-specific, children are taken on a fun journey each week where they develop their sense of pulse, rhythm and pitch in a fun and playful way. More information can be found on the website. Places are limited - please enquire for availability via click to contact
