Apple iPhone 6S Plus 64GB - Rose Gold (Unlocked) 1 Year Apple Care Extended (620

Location London, London https://www.freeadsz.co.uk/x-416161-z

I have for sale my iPhone 6S Plus which has been bought last year. But I bought a apple care for this IPhone which extend the warranty for another year as you can see in the picture. The manufacturer warranty expires at Oct 2017 and haven't replace yet, which means you can replace the phone two times for free!!!!

It is the 64GB model in the beautiful Rose Gold color. It is in its original box with original accessories (except the earphone). It is factory unlocked so ready to use on any network.

Please feel free to contact me if you have any questions.

The phone is for payment on collection only. If you would like me post the iPhone please send me the message first!

Thank.
