

Gorgeous black kittens (55 GBP)

Location **London, London**
<https://www.freeadsz.co.uk/x-416679-z>

Our lovely litter arrived on Thursday 16 June and are now just over 9 weeks old. Their sleek grey mother has them litter trained and eating a variety of tinned cat foods. They all enjoy kitten milk from cartons and the odd cooked chicken treat. Our two female kittens are playful and affectionate and used to a family environment. They are looking for a loving home with access to a garden as they love playing.
