Samsung 40" Freeview LCD TV with stand and remote. It's been a great TV but in recent months it's become slower and slower to turn on. Now sometimes it will eventually switch on after about 10 /15 minutes and sometimes it won't. There is always a clicking sound from the back? The TV is far too good to junk so if you think you can do something with it or use it for parts then it is yours for £25. Physically the TV is in very good condition and the screen is perfect. Either collection from Eastbourne Old Town area or I will deliver within Eastbourne for free or to Bexhill / Lewes / Brighton areas for £.
