Owned by my daughter since January 2013 and used for her commute between Kent and Bristol University. This bike has been superbly reliable and economical to own and insure. It has been well maintained and Honda build quality ensured it has survived the rigours of year-round use very well, although there are numerous blemishes and rust-spots conducive with a 2006 bike. Photos were taken after a quick 'wash and promise' on 9th August '16. The bike includes:

- Datatool Alarm
- Avon Tyres (Nearly New)
- Socket for Maximiser Battery Charger
- Good Size Honda Top Box (for Full-Face Helmet and Jacket)
- Recent Chain and Sprockets
- MOT July 2017 (No Advisories)
- Service History (part Main Dealer) Semi-Synthetic Oil
- Documented History Insurance group 6 of 17
- Over 210 miles range
- Suitable for A2 Licence Genuine reason for
