This large hard wood coffee table has been modernised within our workshop. We sanded the table using 3 different grains of sand paper taking it back to its natural form enabling the woods grains and colour to stand out. The table has 2 large drawers that can be opened from either side perfect for storage. We applied 4 coats of quality wax then buffed and polished the table to give it a stunning shine. Dimensions are as follows - Height - 49 mm Length - 130 mm Width - 76
